

At Balfour Beatty VINCI Joint Venture (BBV) we work in collaboration with our customers and stakeholders to deliver sustainable solutions through the provision of innovative and efficient infrastructure that underpins daily lives, supports communities and enables economic growth.

Our approach to managing sustainability is set out in our Environmental Policy and Integrated Management System, which demonstrates that our design and proposed construction methods comply with our customer's sustainability approach and encompasses the following:

PROFITABLE MARKETS

- Listen to our customers to understand how they characterise success.
- Differentiate ourselves through our sustainability performance and value.
- Deliver sustainable solutions that offer the best value for money.

HEALTHY COMMUNITIES

- Engage with our supply chain in delivering improvements to our customers.
- Treat our suppliers fairly.
- Develop social value outcomes for our customers.
- Contribute to the wider community, including investing in skills and developing partnerships.

PROTECTING PEOPLE AND THE ENVIRONMENT

- Value and promote excellent Human Resources practices; talent development, knowledge transfer, equality, diversity & social inclusion.
- Promote healthy lifestyle choices for our employees.
- Continue to improve our health & safety performance.
- Act on employee satisfaction feedback.
- Set targets and implement actions to:
 - reduce greenhouse gas (GHG) emissions; water use and waste.
 - Increase re-use and recycling of our materials.
 - Build resilient infrastructure that will adapt to future trends and demands.
- Source materials responsibly and favour those with low environmental impact.
- Protect and where possible enhancing the natural and historic environment.

GOVERNANCE, MEASUREMENT & REPORTING

Establish Key Performance Indicators to:

- Maintain clear accountability for delivering this policy.
- Assess and review the materiality and impacts of our activities annually and update this policy correspondingly.
- Monitor our sustainability performance.
- Comply with all legal and client requirements, our operating standards, including our management systems.
- Continuously improve our standards, efficiency and effectiveness.

We will communicate this policy to everyone working for or on behalf of BBV, including supply chain partners and relevant interested parties and review it on an annual basis.
